

## Ryan Appleton Memorial Volunteer Award

Shelburne Minor Hockey Association, together with the Appleton family of Dave, Tammy, Corey & Shaun, are pleased to announce the introduction of the **Ryan Appleton Memorial Volunteer Award**. Sadly, Ryan was taken from his family and our community unexpectedly and at an early age, however; it is our hope that Ryan's memory and contribution to both our community and Shelburne Minor Hockey might live on endlessly through the establishment of this award. Although Ryan did not play hockey in Shelburne, he proved to be a shining example of someone always willing to help by volunteering his time. Whether in the time box, setting up for tournaments or any job that needed muscle, Ryan was always willing and happy to help in any way possible. This award is our way of saying thank you too and for remembering Ryan and his contributions by recognizing others from within our organization that have displayed the same selfless commitment to the betterment of our club and our community. Thank you Ryan; you will always be a part of the SMHA family.

In establishing the qualifying parameters for recipients of this award, those nominated shall demonstrate these same qualities:
